Units 1-9

+ 10 specialist units

SUBJECT:- Sport

Entry Profile for your course:-

You will enjoy this subject if you have an interest in PE and sport. During the course of the two years, you will study units of work which will give you a broad understanding of how the world of PE and sport operates.

You will take part in a variety of physical activities such as football, netball, rounders, badminton, basketball and many others. You will undertake units of study which enable you to look at how a sports coach operates and the roles of officials in selected sports.

Year 13 students will experience an OAA residential in which you will take part in activities such as mountain biking, orienteering, canoeing and rock climbing.

The wide variety of units enables you to gain a vast knowledge of the world of PE and sport and provides you with a solid platform to take your sporting career to the next level.

Skills you could acquire or develop further:-

- independent learning.
- ability to work in a team.
- presentation skills.
- problem solving.
- practical individual skills.
- practical team skills.
- application of various ICT software.
- coaching skills.

Entry Requirements:-

To be eligible, you will need to have at least 5 GCSEs grade A*-C.

How will my course be assessed:-

Students will be assessed by coursework assignments only with no final examinations. The assignments come in the form of written assignments, presentations, coaching sessions and demonstrations of practical ability. Each assignment will be graded as Pass, Merit, Distinction or Distinction* with an overall unit grade awarded which is based on the individual assignments added together. The final grade will be based upon all the unit marks aggregated together.

When will my course be assessed:-

Coursework assignments will be set over the two years that students study the subject. Upon the completion of Year 13 students will have completed a BTEC Level 3 Certificate in Sport.

Possible careers paths you could follow include:-

PE teaching; sports coach; gym instructor; sports development; physiology; sports psychologist; sports journalist; sports massage; personal trainer; physiotherapy; officiating routes (football referee); outdoor activities instructor; public services; physical trainer in armed forces; Royal Marine.
