

HOMEWORK TIMETABLE 2017

At Hanson we regard homework as very important. It is set according to the demands of each subject following the homework timetable which is given to every student at the start of the school year.

Why we set homework

Homework is considered to be an integral and necessary part of school work and is a valuable tool in preparation for all external examinations. We believe that the purpose of homework is to allow students to:-

- Complete and reinforce work already studied and begun in class.
- To follow their own chosen lines of inquiry.
- Have the opportunity to prepare work for forthcoming lessons.
- Organise their time effectively and show a pride in their achievements.

Monitoring homework

Homework is monitored in the following ways:-

- Teachers will write the homework on the board during the lesson (preferably at the start of the lesson) so that students can record it accurately in their journal. If for any reason homework is not be set, e.g. at the end of a unit the students should be asked to record 'none set because.....'
- Teachers will adhere to the published homework timetable.
- Teachers will use 'show my homework' to upload homework and deadlines for parent and student information.
- Teachers will carry out checks during lesson time to ensure homework is recorded accurately by students.
- Heads of Department will carry out journal checks to ensure that homework is being set in line with Schemes of Learning, regularly and according to the published timetables and cross reference with 'show my homework'
- Form Tutors carry out journal checks when they ensure homework is being recorded and that the journal is kept up to date. Form Tutors and parents will check and sign journal weekly.
- We encourage comments from parents about homework, via the journal and in student's exercise books.

If students wish to complete homework at the end of the day we welcome them to use the open computer area and the school library when there are staff available to help. In addition students in the lower school who find it difficult to complete homework on their own can attend 'Homework Clubs' run at lunchtime and after school.

Year 7:

Homework in the Core subjects of English, Maths, Science and Languages will be set weekly from the beginning of the year. Other subjects are introduced each half tern up to Christmas. After Christmas all subjects set weekly homework. Students will be expected to write these subjects into their journals for the entire year so they know what homework is expected and on which day it is to be set.

YEAR 7

YEAR 7 Starting homework timetable up to half term					
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Band 7:1	English	Science	Maths		Languages
Band 7:2	English	Languages	Maths		Science
Band 7:x	English		Languages	Science	Maths
Band 7:y	English	Science	Maths		Languages

HOMEWORK TIMETABLE 2017
YEAR 7
Homework timetable up to Christmas
