Hours of work:	Full-Time
Department:	Mathematics
Location:	Hanson School
Responsible to:	Deputy Head
Responsible for:	The delivery of the Mathematics programme for KS3, 4, 5

Job Purpose

- To raise standards of student attainment and achievement within the whole Subject area and to effectively monitor and support student progress.
- To be accountable for student progress and development within the Subject area.
- To be accountable for leading, managing and developing the Subject area.
- To develop and enhance the teaching practice of others.
- To effectively manage and deploy teaching, support staff, financial and physical resources within the Subject area.
- To ensure the provision of an appropriately broad, balanced, relevant and differentiated curriculum for students studying Mathematics and numeracy, in accordance with the aims of the school and the curricular policies determined by the Governing Body and Head teacher of the school.

All teachers appointed to Hanson are expected to contribute fully to the co-curricular and pastoral life of the School. As a member of the Mathematics Leadership Team this will include evenings and possibly Saturday duties. In addition to the core job purpose and main duties and responsibilities of a teacher, as outlined in the attached Teacher job description, the Director will:

- Contribute to whole School policy-making and strategic planning as required by the Head.
- Prepare, monitor and update subject plans in consultation with colleagues.
- Take the lead in ensuring that school policies and strategies are embedded in schemes of work and team plans to support the schools improvement.

Main Duties and Responsibilities:

Leadership & Management of others

- Manage day to day requirements such as examination entry and team timetables, delegating as appropriate, to ensure the efficiency of the team.
- Empower members of the team to develop their leadership potential to ensure continuous improvement within the team.
- Chair department meetings to ensure that they are used effectively to review performance, progress, monitor actions, implement strategies and provide professional development opportunities.
- Ensure that members of the team meet regularly to moderate assessments in order to enhance their knowledge and understanding of assessment criteria.

- Ensure that all members of the team regularly record students' progress and track progress towards end of year targets.
- Ensure that formal assessments are undertaken in accordance with the school's policy and recorded appropriately.
- Ensure that members of the team provide progress information to year teams in advance of termly progress reviews.

Leadership and Management of Teaching and Learning

- Promote excellence in teaching and learning to ensure all students develop their potential and are equipped for life beyond Hanson.
- Exemplify in own practice the outstanding skills of teaching and learning typified by lead professionals and ensure that good practice is shared throughout the team.
- Ensure that schemes of work are used, reviewed and modified to enable the maintenance and development of high standards of teaching and learning and where appropriate delegate tasks to other members of the team.
- Ensure that marking, feedback and assessment is completed regularly and in accordance with the schools policy to impact positively on student progress.
- Monitor students' work and the classroom practice of those in the team to ensure high standards are maintained.
- Keep up to date with developments in subject areas and education in general to ensure that best practice is adopted within the team.
- Ensure the team's delivery and development of the curriculum is effective in meeting the needs of all students.
- Ensure that where appropriate lessons contribute to students' spiritual, moral, social and cultural development.
- Ensure that policies, syllabuses and schemes of work are fit for purpose and meet the requirements of external examinations. Where appropriate, delegate responsibility for the review and revision of a subject to members of the team directly involved in teaching the subject.
- Contribute to the broader life of the school by planning, supporting and leading curricular and co-curricular events, such as concerts, plays or activities.
- As the result of monitoring activities and consultation with members of the team produce the department improvement plan for inclusion in the school's improvement plan.
- Implement the plan and provide or arrange support for colleagues to ensure that the objectives of the plan are met.
- Complete regular appraisals of staff and support their professional development in accordance with school policy.

Leadership and Management of teaching support staff and teachers who support SEN and EAL

- Meet regularly with the teaching support team, the Senco and the ARC leaders to discuss the progress of targeted students including numeracy catch up students.
- Ensure the correct provision and intervention is being made for underachieving students who have been identified in the most recent round of progress reviews.
- Contribute to the monitoring of teaching support as required by the Deputy Head.
- Complete regular appraisals of support staff within the department (where appropriate) and support their professional development in accordance with school policy.

Leadership and Management of Students' Attainment and Progress

Work with the Deputy Head and Assistant Head Teacher (D&C) to ensure that teachers' use assessment for learning effectively so that:

- Lessons are pitched appropriately and the planning indicates that the activities provided for students are differentiated appropriately so that all students make progress in lessons.
- All students are set end of year targets and incremental targets for each term to help them make good progress.
- Students are given the opportunity to assess their own progress against their targets.
- Teachers' feedback and marking refer to targets and indicate what students need to do to improve their work. Regular tracking should inform planning and feedback should be personalised.

Co-curricular activities

- Lead and develop the numeracy enrichment programme and contribute to a wide variety of Maths and Numeracy clubs for pupils which could take place before, during and after school and, as required, at weekends and during holidays.
- Actively promote interest in the subject outside the immediate physical and timetabled confines of the college through organising educational visits and field trips.
- Work closely with the Deputy Head and other colleagues as appropriate, to coordinate the highest quality Mathematics teaching possible for the School.
- Maintain strong and mutually beneficial links with other schools.
- Ensure the health & safety and good behaviour of pupils at all times.

Reporting and Documentation

- Contribute and prepare accordingly for inspections, Governors meetings and Departmental reviews.
- Prepare, monitor and update core departmental plans in consultation with the Maths Department and Deputy Head as required.
- Contribute appropriately to curricular and co-curricular reports for pupils.
- Assign attainment grades, and write bespoke comments where appropriate.
- Oversee and prepare schemes of work for Mathematics and related subjects with colleagues.

Marketing and external links, including public occasions:

- Actively promote the team within the school community to encourage students' interest in the subject area.
- Contribute to the positive promotion and marketing of the school.
- Ensure that you lead the team's contribution to marketing events, recruitment and external links.

Management of resources:

- Monitor and control the team's allocated budget and purchasing arrangements, to ensure the efficient and effective use of all resources.

- Monitor and control the team's allocated budget for numeracy catch up funding and purchasing arrangements, to ensure the efficient and effective use of all resources for targeted cohort.
- Identify future resourcing needs and aspirations for the team for consideration in the school budget planning process.
- Ensure that all resources are fit for purpose and used in accordance with health and safety guidelines.

Training & Development of self and others:

- As a lead professional ensure you set personal targets for yourself and others and take responsibility for own continuous professional development.
- Be proactive in identifying training needs within the team, ensuring that they are appropriately met, and that all members of the team are active in their own personal and continuous professional development.

Hanson School is committed to safeguarding and promoting the welfare of children and young people. All staff and volunteers are therefore expected to behave in such a way that supports this commitment.

The above duties are not exhaustive and the post holder may be required to undertake tasks, roles and responsibilities as may be reasonably assigned to them by the Headteacher and/or line managers. This job description may be reviewed annually and it may be modified or amended at any time during the year after consultation with the post holder.
