Hanson School

Learning Gateway

Dear Parent/Carer

At Hanson, due to our commitment to e-learning and investment in new technology, we would like to offer you the opportunity to sign up for access to our 'Learning Gateway'. Hanson's Learning Gateway will allow you to logon to a secure environment and obtain up to date information about your child's assessment, attendance, reports, behaviour and achievements.

To access this data you will need a secure login and password. If you would like access to this information then please complete the tear off slip below and return to school as soon as possible. Once received we will update our school records. In due course your secure logon will be sent out to you. Following this we will forward your secure password to the email address you supplied to us along with instructions on how to access the SLG. You will, of course, only be able access data about your child and I must therefore ask that you keep your login and passwords secure, as you would with passwords for online banking etc.

Please note passwords will not be issued immediately as information will not be available until your child starts attending the school in September.

We believe that the ability to access information is crucial for you to gauge the progress that your child is making and trust that this will be a useful tool to focus conversations with your child about his/her learning. We would welcome comments about the system and ways in which we can improve it.

Yours sincerely

Mrs V Bartle
(MIS Manager)

Please return to school at your earliest convenience:

By signing below I agree to:

- keep my login details secure and never divulge my password to anyone else.
- inform the school if I suspect my password has been compromised.
- sign out of the site after each use.

Student Name: ..... Tutor Group:.....

I have read and understand the terms of the Data Protection act and would like to use the Learning Gateway.
Please use the following e-mail account for my password or any correspondence:

(Print ***clearly*** the e-mail address you would like to use).
