8th July 2016

Dear Parent /Carer

I am writing to inform you about Sports Day which takes place on Tuesday 12th July. Every student in school is involved in the event at some point during the day. During the morning Year 7, Year 8, Year 9 and Year 10 will each take part in an hour of athletics competitions and inter form cricket matches. The focus of the morning sessions are on enjoyment and the promotion of healthy and active lifestyles.

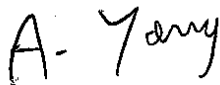

During period 9 and 10 every student and staff member will come out to the sports field and watch the athletics finals which will include the most successful students from the morning sessions. This should be a great finale to sports day with each form having been set the task in form period this week of creating posters and banners etc. to celebrate the successes of their students.

It is vital that all students come to school in Hanson PE uniform (this includes Hanson PE top, Hanson shorts or tracksuit bottoms, blue socks and trainers). All students must also wear their ID card for safeguarding reasons.

We strongly advise that you send your child with sunscreen, a hat and water, especially if it is a hot and sunny day.

Thank you so much for your support.

Yours faithfully

Alistair Young
Deputy of PE
