3rd June 2015

Dear Parents and Carers

Following the Ofsted report we understand that you may have some very specific questions regarding the ARC provision at Hanson School.

Therefore we would like to offer you the opportunity to attend a meeting on Tuesday 9th June at 4.00pm.

You may also wish to attend the general school parents meeting for the year group that your child is in, which is outlined in the first letter.

This meeting will be specifically around issues in the Ofsted report relating to the ARC.

Yours sincerely

Paul Morrissey and David Maxwell
