- The Olympic Book competition

Pablo Picasso— Spanish Painting

This term a Spanish class had a very interesting Art lesson delivered to them by Mr Suarez. They learnt all about the cultural background of Pablo Picasso, a famous Spanish painter. They then had the chance to create their own Pablo Picasso style painting, which you can see displayed in the Art Department.

The Croissant Club—Wednesdays in 430

This term a group of about 20 students from Year 8 received a 'special invitation' from their French teachers to take part in the lunchtime 'Croissant Club'. Students ordered 'une limonade, un croissant, un pain au chocolat, une baguette avec du fromage' in French using their best accents and manners! They were a pleasure to serve. Ask your French teacher if you would also like a 'special invitation' to attend the club. Don't forget to say 's'il vous plait'!

An Easter Egg Painting Competition.

Students have been learning about the tradition of painting hard boiled Eggs in their Spanish lessons. They have designed and painted some eggs which have been entered in a competition. The winner will be announced shortly.

During the 'Decant Days' Students in Year 7 and 8 learnt about the Olympic sporting events in French, German and Spanish. Winners of the booklets were presented with the 'Gold', 'Silver' and 'Bronze' Award Certificates. Well Done!
